

## Dealing with Life after College

After the ivory tower existence of college comes the hard reality of “real life.” Although the economy is steadily curving upwards, many college graduates still have to face the reality that their efforts over the past four years may not readily result in the payoff of a lucrative job. To put it bluntly, many new graduates today find themselves newly unemployed

### ► More about the Book:

*#AFTER COLLEGE tweet* provides pointers for moving forward in just such a situation. It shows recent graduates how to reconcile the reality of their situations with the promise of the jobs they expected after attending four-year universities. Written by college graduates who are trying to find their place in the world themselves, the book clearly demonstrates a firm grasp on the truths of life after college and what must be done to preserve balance in a time of uncertainty.
